APPROVAL OF AGENDA

PUBLIC COMMENTS

Sonya Meekins attended on behalf of the GEA. She thanked the board members for the work that they have done and shared that the insurance is not an ideal situation for some of our employees. As we move forward, she wants the board to keep that in mind. It is very vital that we increase our tax base in Giles County – that is her goal from here on out. She would like to see a 12% salary increase since we are so far behind. She stated that we are having a hard time getting substitutes, so she would like to see the pay on the substitutes increased. She stated that she is “retiring” from the local GEA leadership, but still plans on being involved. She would like to start campaigning for a tax increase to help with the revenue for the county. Again, she thanked the board members for what they have done. She stated that we haven’t been getting the money we have asked for from the Board of Supervisors each year and she plans on addressing the Board of Supervisors tonight. Mr. Ballard asked her to check on the package for new teachers that he has mentioned in the past. He would like to see new teachers get some kind of tax benefit or free membership if they come teach for Giles County.

Dr. Arbogast stated that he sent an email to DOE to ask about the max capacity of our schools. They said they did not do a capacity count for the maximum that each school could accommodate. They are looking at whether each school could absorb the students that would be relocated based upon their recommendations. While their office sets school capacity based upon the recommendations in the SOQ, the school may have a different capacity based upon the program that the school adopts and that the division has adopted.

Dr. Arbogast stated that we currently have an agreement with the Mary Moody Northen Foundation for the lease of land for our radio tower. PEMTEL cohabits that site with us. The lease agreement is a 10 year agreement, which is similar to what we have now. The School Board, on motion of Mrs. Guynn, with second by Mr. Pennington and unanimous voting, approved the lease agreement as follows:

**AGREEMENT**

This agreement is made as of the 29th day of June, 2018 between Giles County Public Schools and Pembroke Telephone Cooperative.

The Pembroke Telephone Cooperative is collocating a building on the Bald Knob Site that the school system currently leases from the Mary Moody Northen Endowment. The school system approves of this request and in turn, the Pembroke Telephone Cooperative agrees to provide services to the school system. For each year of the lease, the school system would receive $4,000, or equivalent, to help supplement instruction in the division. This agreement will be for the period of the lease agreement that the school system has signed with the Mary Moody Northen Endowment, ten years, beginning July 1, 2018 and running through June 30, 2028. However; taking into consideration the changes in technology, and assessing the needs of Giles-Craig Communications for the site, this agreement will be reviewed annually beginning in 2023, with the option to renew thereafter as needed through June 30, 2028, mirroring the School System’s agreement with the Mary Moody Northen Endowment.

Dr. Arbogast stated that we were contacted 3-4 weeks ago by DOE regarding literary funds maybe becoming available. The purpose would be to use that money at 2% to pay off what we have and finance to get a lower rate. The School Board, on motion of Mr. Wilburn, with second by Mrs. Guynn and unanimous voting, approved the following resolution:

**RESOLUTION REQUESTING THE BOARD OF SUPERVISORS TO ADOPT A RESOLUTION AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS FOR SCHOOL PURPOSES, CONSENTING TO THE ISSUANCE OF THE BONDS, AND AUTHORIZING CERTAIN RELATED ACTIONS**
