APPROVAL OF AGENDA

The Board, on motion of Mrs. Guynn, with second by Mr. Pennington and unanimous voting, approved the Superintendent's August 16, 2018 School Board Meeting Agenda.

PUBLIC COMMENTS

Michelle Walkup, President of the NHS Band Booster, attended to address the issue of band/music funding at NEMS and NHS. All of these programs are supported in total by a parent organization. She stated that up until 2 years ago, the band/music programs at Narrows did not receive any school funding – only a small amount of FTE money. This class is not funded by the schools. Last year, the band/music boosters paid out almost $4K in repairs for school instruments and purchased over $1200 in music for the children to play. In addition, they also support kids by fundraising for new uniforms. They are asking for more funding for these programs.

Also, included in the motion was language that was in the original agreement stating that “Custodians who work in school buildings managed by a principal employed by School Board shall be under the immediate supervision of the principal while students are present and attending school or
school functions. Immediate supervision includes the authority to assign custodial staff to work activities as necessary during the school day/function. Custodial staff, under direct supervision of the Principal will not be removed from the facility without notice to the building principal or his/her designee.
