November 8, 2018

The regular meeting of the Giles County School Board was held at 4:00 p.m. on November 8, 2018 at the School Board Office. A work session and closed session was held from 1:00 p.m. until 4:00 p.m. Persons present were:

Marion C. Ballard
Melissa R. Guynn
Phillip A. Pennington
Stephen M. Steele
Mark A. Wilburn

Dr. Terry E. Arbogast II, Superintendent
Amanda J. Tickle, School Board Clerk
Laura Gautier, GHS Student Representative

The work session was called to order by the Chairman.

Mr. Kevin White attended the board meeting to discuss an upcoming project at the Giles Tech Center. He discussed a project in conjunction with Celanese for Building Trades. The project was discussed about a year ago. This project will help with the construction of the habitat house when the building trades is working on it. They are hoping to make a level pad to fit both houses side by side, which will also help Habitat for Humanity. Celanese/Celanese bucks will help to pay for some of this project. Celanese bucks are earned through their employees doing community service. Board members were concerned that they were just finding out about this project. They are very supportive of this project, but they would like to have known about it.

There was a discussion about the GHS track. Mr. Ballard stated that we really need to wait to see exactly what we are going to do with it and funding.

There was a discussion about a parent's concern regarding the school closing time. Dr. Arbogast stated that he had emailed the parent back and explained the process. He then explained to board members the process that usually occurs to make school closing announcements.

Mr. Ballard asked board members if they had any maintenance/custodian issues. Mr. Ballard explained some recent problems that the cafeteria ladies addressed with board members at their budget meeting. A couple school board members, board of supervisor's members, and a couple other individuals with the county met yesterday to discuss the issues that were discussed. Dr. Arbogast talked with principals on the process of notifying individuals in the event there is a problem with maintenance or custodians. He also talked with them about the work order process.

Mr. Wilburn asked about the process associated with students that have out of school suspension and whether they can make up any of their work. He thinks as of now, they cannot make up any of their work. He thinks that they should be able to make up work so they don't get farther behind. Dr. Arbogast stated that the current practice is if you are assigned OSS, you do not get to make up your work. Mr. Wilburn would like the school to be able to decide what's best for these children. Dr. Arbogast is not sure that we want to change any policies since we have been in school for 9 weeks. He said we could discuss it at the retreat further if board members want.

Mr. Ballard reminded school board members about the VSBA Preschool Showcase, which is being held at the Giles Tech Center. A couple board members are going to stop by.

Dr. Arbogast reminded board members about Dr. DeNoble coming to speak next week to our students. Also YStreet will be coming to Giles High School next week. Shelor Talent Show is also coming up on Saturday.

There was a discussion on the 19-20 school calendar. The board requested a draft that showed what the calendar would look like if first semester was completed prior to Christmas break. Additional information was requested and will be drafted to present during the next work session.

Mrs. Catherine Ballard attended the meeting to answer some questions regarding budget from the board members. There was a discussion about concerns from the auditor and board members about overspending in the last fiscal year. Mr. Ballard had concerns about the revenue/expenditure spreadsheets that they are given each month. Board members would like to
see a different document on a monthly basis from Mrs. Ballard to help them track their budget better. Dr. Arbogast has been working with Mrs. Ballard to figure out a different type of spreadsheet that will be more helpful to school board members. Regarding the end of year expenditures, Mrs. Ballard is going to try to pinpoint what these expenditures were and get back to board members.

Board members had a discussion about advertising for a Finance position. Mrs. Ballard expressed her concern about not being comfortable to train a new individual because she is still learning things. She stated that she has only been able to train for a year. She is also concerned with liability because if another individual picks up in the middle of the fiscal year, there would be half of her numbers and half of their numbers. She stated if you want a clean break, you could do it in January.

The Board, on motion of Mr. Wilburn, with second by Mr. Pennington and unanimous voting, went into a closed meeting under Section 2.2-3711 of the Virginia Code and Paragraph 4: The protection of the privacy of individuals in personnel matters not related to public business. Following discussion, Mrs. Guynn moved to go to regular session. Mr. Wilburn seconded the motion and voting was unanimous. On motion of Mr. Steele, with a second by Mrs. Guynn and unanimous voting, the following Certification of the closed meeting was certified.

WHEREAS, the Giles School Board has convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of the Virginia Freedom of Information Act; and

WHEREAS, Section 2.2-3711 (D) of the Code of Virginia requires a certification by this School Board that such closed meeting was conducted in conformity with Virginia law;

NOW, THEREFORE, BE IT RESOLVED that the Giles School Board hereby certifies that, to the best of each member’s knowledge, (I) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which certification applies and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed or considered.
